Subject:- Revision of the Sub-Assistant Surgeon's grade.

37)

In November 1911, the scale of pay of Sub-Assistant Surgeons was brought on a level with that prevailing in the Madras Presidency. Since then the Madras Government has revised more than once the scale of pay of ~~the~~ Sub-Assistant Surgeons with the result that the present scale of pay of the Madras Sub-Assistant Surgeons is much higher than ours.

2. The difference between the Madras and Mysore scales is as noted below :-

Mysore.	Madras.
Rs.35-10/~~5~~65 and after 20 years' service Rs.65-5/5-70.	Rs.50/- 1st triennium.
	Rs.55/- 2nd do.
Senior Sub-Asst.Surgeons 12 on Rs.80.	Rs.60/- 3rd do.
	Rs.65/- 4th do.
Senior Sub-Asst.Surgeons 6 on Rs.90	Rs.70/- 5th do.
	Rs.75/- 6th do.
	Rs.80/- 7th do.
	Rs.90/- 8th do.
	Rs.100/- after 24 years' service.
	Rs.110/- Senior Sub-Asst.
	Rs.120/- Surgeons.

3. The Senior Surgeon reports that as the subordinate Medical service under the British Government has become very attractive - great difficulty is experienced in pursuading passed Medical pupils to join our service and that many of those who have completed ~~the~~ their

their compulsory period of service are likely to resign to take up appointments in the neighbouring Presidency.

4. The proposal of the Senior Surgeon to revise the scale of pay of Sub-Assistant Surgeons according to the present Madras scale was considered in Council, and they are of opinion that - the minimum pay of Sub-Assistant Surgeons may be raised to Rs.45/- per mensem. The Financial Secretary has no objection to the - proposal. In these circumstances the resolution of the Council may be approved

Sir,

The scale of pay of Sub Assistant Surgeons in this State was reorganised under G.O. No. 3181-2/Med:128-10-5 dated 3rd November 1911 and brought on a level with what prevailed in the Madras Presidency. Since then, the Madras Government have revised the scale of pay twice.

2. In 1916, the pay of each class was raised by Rs.5/- in Madras and in this office letter No. G.369 dated 28-4-'17 I recommended that the local scale may be also raised accordingly. Which orders on this proposal are still pending, the scale of pay in Madras has been further considerably (Enclosure A) improved, and the new scale has been brought into force with effect from 1st April 1918.

3. The difference between the present Madras pay and the present local scale will be seen from the statement below:-

Present Mysore Scale	Present Madras Scale.

Requests sanction for the revision of the Scale of pay of Sub Assistant Surgeons according to the Scale recently sanctioned in Madras.

Representations have already been received from the Mysore Medical Pupils now studying in the Royapuram Medical School, through their Superintendent and from several Sub Assistant Surgeons in the service, praying for an enhancement of their present rates of pay to what has been sanctioned in Madras. Apart from these representations, the scale of pay of the Sub Assistant Surgeons has always been revised from time to time according to the scale introduced in Madras.

(Enclosure B) 4. The Government of India have also raised the pay of the Military Sub Assistant Surgeons, fixing the minimum at Rs.60/- and the maximum at Rs.125/- (Senior Grade), and civil Sub Assistant Surgeon accepting liability for military service are allowed their civil pay in addition to the military pay and extra allowances according to the service of the individuals.

5. The Subordinate Medical Service under the British Government has thus become very attractive and as a result only 3 of our Passed Medical Pupils of this year have joined, one has refunded in full his dues (including a penalty of Rs.500/- and obtained his discharge. Two have not acknowledged the notices sent to them. It is also very likely that many of those who have joined and have just completed the compulsory period of service will resign and take up service in the neighbouring presidency.

6. Under the circumstances I request that Government may be pleased to sanction a revision of the scale of pay of Sub Assistant Surgeons according to the scale recently sanctioned in Madras.

7. The proposal will involve an extra cost of Rs.60240/- for the next official year, assuring that the new scale will be sanctioned with effect from the 1st July 1918, as shown in (Enclosure C) the annexed statement.

Sir,

With reference to your No. G.2530/Med:114-17-2 dated 2-8-1918, I have the honour to forward herewith in duplicate a proposition statement for the revision of the scale of pay of Sub Assistant Surgeons and to state that as the sanctioned budget of 1918-19 provides only for the actual requirements, is very unlikely that savings would be ~~possible~~ effected under any heads. The additional amount required on this account will therefore have to be sanctioned as an extra grant to the Medical Budget.

I have the honour to be,

Sir,

Your most obedient servant,

T.V. Armugam

Senior Surgeon.
